subject	About my hometown
Hi Claire	
I live in Elkton. My hometown is a small town with 9,500 people. Elkton is an old town, it's more than 1,500 years old. We have some nice places in our town. I love to go to the park with my friends. We ride our bikes there or we skateboard. In the evening we often go to the cinema together.	
Near my school is the hospital where my mum works. My dad works in a restaurant. Sometimes we go there for dinner.	
And we have a big swimming pool. In summer it's a nice place to swim, to play games or to have hot dogs. We have a small shopping centre too. I like to go there with my friend Sarah. There are lots of nice shops for clothes, a book shop, a bike shop and a restaurant with great burgers.	
We live in a new house near the park with four rooms, a kitchen and a bathroom. We have a small garden where my two rabbits live.	
My birthday is on 1st March. I usually have a big party with my friends from school. My mum always makes a fantastic birthday dinner. We listen to music and play some fun games.	
What about you? Please write an email about you and your hometown.	
Love Anne
